

CATEGORY: EXCELLENCE IN STOW AWARD

Description: This award publicly recognises the outstanding achievement of companies that have demonstrated a commitment to high health, safety and environment standards (HSE) in their organisations.

Companies will be shortlisted and awarded based on the following criteria:-

- Attained **100% compliance in each element** of the Safe to Work (STOW) HSE requirements at the end of the STOW certification audit. Having the required HSE policies and procedures to govern their activities and demonstrating that they are effectively implemented on the ground throughout the organisation.
- How have you demonstrated a commitment to contribute to a safer energy sector in T&T and the wider organisation with respect to continuous improvement of HSE? **30 marks**
- Show benefits from heightened HSE awareness among the workforce, reduced accidents/incidents, as well as reduced financial and non-financial costs associated with workforce injuries, workplace accidents and other damages. **(70 marks)**
